Re: letter of recommendation

To Whom It May Concern

Caroline Bitterly was employed by Guerrilla in the position of Game Designer. Caroline worked on Main Quests, Side Quests and on defining mechanics and standards for the Quest team. She worked for Guerrilla for two years.

Caroline is incredibly professional in all her interactions and is a team player, keen to help others wherever possible. She is hungry for knowledge, and is always working to improve at her craft. She has a strong understanding of design fundamentals, and is happy to share her opinion on how to improve content, and to join discussions with other designers. Caroline always aims for her work to be of the highest possible standard.

We recommend Caroline highly and wish her all success in her future endeavours.

Yours sincerely,

Tim Stobo
